FOR IMMEDIATE RELEASE

CAMP RECALL

PHOTON CARABINERS, PHOTON QUICKDRAWS, MACH EXPRESS QUICKDRAWS

Broomfield, Colorado, 04/21/2011 –CAMP USA Inc. has voluntarily recalled Photon carabiners, and Photon and Mach Express quickdraws. No injuries have been reported, but the carabiner gate may open under a heavy load.

The Photon model carabiners are sold individually or as components of the Photon Express and Mach Express quickdraw. The carabiners were sold in a variety of colors including green, yellow, silver and brown. The quickdraws use a white or black fabric strap with green, yellow or gray stitching and Photon carabiners attached at each end. Affected product was sold at outdoor retail stores nationwide from February 2011 through March 2011.

Consumers should stop using the recalled carabiners and quickdraws sold with carabiners immediately and Contact CAMP at 1.877.421.2267 or climbing@camp-usa.com to return your Photon carabiner based products for a full refund.

To see this recall on CPSC's web site, including pictures of the recalled products, please go to: <http://www.cpsc.gov/cpscpub/prerel/prhtml11/11201.html>

CAMP reports updating its dies to remedy the flaw and is testing pre-production samples before reengaging production.
